200% MONEY BACK GUARANTEE

Our 200% Guarantee

We know how valuable your time is, especially in the summer. That's why we've gone to extreme measures to protect you and your time. If you're not satisfied with the basketball education you receive, we'll give you DOUBLE your money back. No other camp comes close to providing a guarantee like this.

“PGC has been teaching the game for 25 years. I came through the program — I learned a lot and I loved it.

MARKELLE FULTZ,
#1 NBA Draft Pick, Philadelphia 76ers

“PGC is the best basketball camp in America for learning how to think the game.

RICK CARLISLE,
Head Coach, Dallas Mavericks

“PGC is like navy seal training for young people to equip them to become successful, resilient adults.

LEAGH TURNER,
Global COO, Fortune 500 Software Company

Intense, no-nonsense training for dedicated players of all positions.

Each PGC camp is designed to teach players four critical elements all good players should know.

Think the Game

Develop your basketball IQ, improve your decision-making, and learn how to read the defense so you're always a step ahead.

Playmaking

Develop uncommon skills and rarely taught habits that can immediately improve your game and make you stand out at any level of play.

Leadership

Discover what it takes to 'SCHAPE' your team and become a leader others want to follow in games, practices, and everyday life.

Mindset

Discover how to build mental toughness and develop an 'unruffleable' attitude to help you thrive in any circumstance.

All Playmaker College, Point Guard College, and PGC Grad School camps include daily classroom sessions, film sessions, and 6-7 hours of on-court training.

Skills Academy I

Foundational Skills

Designed to be the place for young players to build a strong foundation for the game in a fun and engaging environment. Develop critical shooting, ball-handling, movement and passing skills, as well as key character qualities that all leaders possess.

Skills Academy II

Essential Skills

Designed for dedicated players who want to develop cutting-edge skills in a competitive environment. Players benefit from focused skill workouts, video breakdown, challenging competitions, team games, and daily mindset training.

Playmaker College I

Winning Habits

Develop the key habits—on and off the court—all good playmakers possess. Discover how to be effective, powerful, and poised against all types of pressure and learn what it takes to play strong, smart basketball so coaches always want the ball in your hands.

Playmaker College II

Scoring Blueprint

Discover how to create scoring opportunities for yourself and teammates and develop the playmaking skills necessary to create advantages against bigger, faster players. Learn how to train your mind, your body, and your game to prepare yourself for higher levels of play.

Point Guard College

Think the Game

Discover how to run the show, develop your basketball IQ, and do all the "little things" to stand out on the court. Learn how to set up teammates, read the defense, and play through situations that challenge your leadership and communication.

PGC Grad School

Game & Life Mastery

Designed for players who want to put PGC principles into action in real five-on-five games. This course equips players with what it takes to master their game and their life. PGC Grad School is the ultimate finishing school for every higher-level player.

> "I was blown away by the level of teaching my son received. I immediately sensed that he has a higher confidence in himself as a basketball player, a leader, and a communicator. Totally engaged, I sat there and watched while I took over five pages of notes myself. What makes PGC unique, is how they build a culture in such a short amount of time that is energetic, challenging, encouraging, and team-oriented. I highly recommend the PGC experience.
