

## Program Clinic Information

### Clinic Description

We are pleased to offer the opportunity for *all* the players in your program to experience a program clinic with PGC and/or Better Basketball. Through a private clinic, one of our directors will lead your players and coaches through a customized clinic curriculum that will serve the specific needs of your program.

Private clinics can be done over one, two, or three day periods and will include classroom sessions, film sessions, and court sessions. If you're interested in hosting a clinic that covers four or more days, please contact [clinics@pgcbasketball.com](mailto:clinics@pgcbasketball.com) for specific pricing.

### Facility Requirements

1. A gym with space for 20 players per half court or 40 players per full court.
2. A classroom or theater with seating for all players, equipped with a projector and screen.

### Registration Requirements

The clinic host is responsible for collecting individual registration fees from players. PGC will not accept individual clinic payments from participating players. All athletes and coaches will need to complete an online waiver form prior to the clinic.

### Clinic Promotion

**Flyers** – Clinic hosts are required to use PGC clinic flyers, provided to clinic hosts as a PDF file.

**Host Website** – If the clinic host desires to post details on a website, the page must be approved by PGC.

**PGC Website** – PGC does not post private clinic information on PGCBasketball.com.

### Observing Coaches

Coaches are welcome to attend the clinic at no cost and do not count towards the clinic enrollment total.

## Program Clinic Fee Structure

	1-Day Clinic	2-Day Clinic BEST VALUE	3-Day Clinic	4-Day Clinic	5-Day Clinic
0-40 Athletes	\$2,000	\$3,000	\$5,000	Contact for pricing	
40+ Athletes	Contact <a href="mailto:clinics@pgcbasketball.com">clinics@pgcbasketball.com</a> for pricing				

### Clinic Expenses

In addition to the clinic fee, clinic host are responsible for providing travel, meals, and accommodations for the clinic director. If flights are required, the flights should be booked by the clinic host at least three weeks prior to the clinic. If the director lives close enough to drive in for the clinic, the clinic host is responsible to reimburse the cost of gas.

### Additional details

- The clinic fee is paid in two instalments: The first instalment (50% of the total amount) is due three weeks prior to the clinic. The remaining balance is due the day of the clinic.
- Both instalments must be paid online by the clinic host via a credit card. A link will be provided for payment.
- The host can increase the number of players at any time and the clinic fee will be adjusted if the higher player threshold is reached. The predetermined fee *cannot* be decreased if enrollment is lower than anticipated.
- Players must complete the online waiver form prior to participating in the clinic.

### Player Registration Fees

If desired, clinic hosts can charge a registration fee amount to players. The price must be approved by PGC program clinic coordinator prior to charging athletes for clinic.

**Note:** If any of your players are PGC Lifetime Pass holders, they will *not* be charged to attend the clinic and Lifetime Pass holders will not be counted in the overall enrollment total.
