Once payment is complete, a receipt confirmation screen will be displayed and the receipt emailed.

The permit will be virtual. There will be nothing to print and display on the vehicle. The license plate must be entered 100% accurately for the permit to be valid. If the vehicle only has one license plate on the rear of the vehicle, it may not park in a backed in position. All license plates must be correctly displayed on the exterior of the vehicle, per State regulation and facing the nearest lane of traffic when parked.
